

## SPECIFICATIONS

### Engine:

Tanaka 2-Stroke Full Crank

### Max hp:

1.5

### Sleeve:

Custom made sleeve to attach motor to auger bits

# TIA-350S One-man Post Hole Digger and sleeve

The Tia350S is an easy to start one-man lightweight post hole digger. It provides excellent throttle response. The wrap-around handles provide the operator with more leverage and help protect the engine from damage during transport and storage.

The sleeve is custom made to attach the auger motor to the soil auger set. The sleeve is normally purchased with the auger set as a package but can be purchased separately.

## Benefits:

- 1.5hp Two-Stroke Engine
- Heavy Duty Clutch
- Efficient power transfer from the engine to the gear case
- Delivers excellent torque for digging in most ground conditions
- All-position Carburettor allows operator to Dig at almost any angle
- Smooth and comfortable operation
- Tanaka Warranty provides One-Year Coverage

**Tia350S  
and Sleeve:**  
The sleeve is custom  
made to fit auger bits
